

Workshop Price List

For over 38 years, PEKA'S workshop has specialised in the servicing of chain and pearl jewellery. Combining our vast stock of findings, chain, and pearls together with our skilled technicians and workshop we are equipped to deal with a wide range of chain and pearl repairs.

Our **minimum labour charge for a single workshop job is \$15**. This does not always apply to each job when multiple workshop jobs are combined.

Chain Service Pricing

Chain service jobs include but are not limited to; *replacing clasps, shortening chain, extending chain, fixing broken chain, soldering charms onto bracelet etc.*

Soldering STG Silver This covers basic solder/saw and polish of item;	\$15.00
Each additional basic solder/saw is between;	\$2.00-6.00/each
Soldering GOLD This covers basic solder/saw and polish of item;	\$18.00
Each additional basic solder/saw is between;	\$5.00-10.00/each

Pearl Service Pricing

Pearl service jobs include but are not limited to; *drilling pearls (full or half), matching pearls, replacing pearls, mounting/fitting of pearls, grinding/cutting of pearls etc.*

Due to the variety of work often involved in a pearl service job, it is difficult to define and list the costs associated.

Typically, the labour charge for a basic pearl service job is **\$15.00**
